# About Us

Welcome to Home in Zagreb, your destination for student housing and internships in Croatia. We provide furnished housing in Zagreb, ranging from shared apartments to private studios, to suit different budgets and preferences.

In addition to housing, we also offer exciting internship opportunities with leading Croatian companies. Our network of prestigious organizations offers internships aligned with students' academic goals, providing hands-on training and valuable work experience.

Our team offers comprehensive support services, assisting with inquiries, cultural integration, and organizing social activities. With our local expertise, we can guide you through Zagreb's student life, cultural attractions, and hidden gems.
